

Question Sheet 33: Crime and Punishment

Student name: _____

Teacher: _____ Class: _____

One thing that Lockie (and the viewer) learns as the series progresses is that there are always consequences of our actions. For example, in Episode 18, Lockie gets into a fight because he is jealous of Vicki. As a result of this fight, Sarge punishes both Lockie and Curtis.

1	Even though Lockie doesn't throw a punch, why does Sarge punish both boys?	
2	<ul style="list-style-type: none">▪ Does Lockie think it is fair that he is being punished?▪ Why does he accept the punishment if he did not actually throw any punches?	
3	In your opinion, does the punishment seem to fit the crime? Why?	
4	In retrospect, how could Lockie have avoided the fight and the subsequent punishment?
