Student name: _____

Teacher: _____ Class: _____

We have seen what happens when Lockie lets a number of people down. Now see how he tries to redeem himself and restore his relationships with others. Answer the following questions:

1	What does Lockie mean when he says ' <i>maybe the only person who can bail you out is you?</i> '	
2	When Lockie and Egg arrive back at the Swamp, Joy Leonard – Lockie's mother - is watering a tree. Notice the camera angles – the camera is at Lockie's height, looking up at Joy. What is the effect of this, e.g. what does it suggest about the power between Lockie and Joy?	
3	We don't hear all of Joy's speech to Lockie. Imagine you are his mother and using the clues provided by the context and in Lockie's voiceover, what did Joy say in the speech?
