Finally, Lockie becomes aware that there are reasons why Boof is a bully.

View the clip **Boof** and answer the following question in the space provided.

1	In the series, it is suggested that bullies have often been bullied themselves. Do you think this is true? Why? You might like to do some research about this.	
2	Given the way Boof has behaved, what is your opinion of Lockie's actions? What does he hope to achieve, do you think?	
3	As you watch later episodes (especially <i>Episode 20</i>), is there any evidence that Boof will ever change?
