Worksheet 34: Creating an email or fan letter

Student name:	
Teacher:	Class:

View a selection of episodes from the series or complete watching the whole series.

- 1. Select your favourite character, producer, director, cinematographer, etc. and draft an email/fan letter to them. In the letter:
  - write about your reactions to the characters and events
  - reflect, at a personal level, about what the series means to you, therefore, how did it help or hinder you from making sense of events occurring in your life?
- 2. Alternatively, you can write to a character in the series, in role, as one of the other characters in the series, for example, John East writing a letter to Lisa after the Blue Light Disco (Lockie Leonard, Episode 16: Brothers); the Rev writing a letter to Mrs Eggleston after she has left (Lockie Leonard, Episode 20: The Clock's Tickin'). You can also write the reply.
