GLOOP

No friends, new school and a house that is truly in danger of disappearing into a swamp but then I spotted the one thing that makes it all okay, this weird little town has the best surf I have ever seen.

This is my new town, some pretty wicked spots to skateboard.

JEE

Maybe you've never had your trick bits painted with Vegemite - maybe you won't understand - but I tell you, Lockie Leonard had a very uncomfortable first day at school. That stuff feels like it tastes - tangy to the max. Even when you eat it that day was wondering whether he'd had it since 1979. He smelled like socks had turned to raw yeast, riboflavin, macy and iron.

SCHOOL BULLY

I did meet a girl

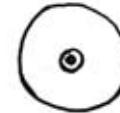

Today's Fact - this plant only grows in Angelus, cool!
